

Oakhurst's infrequent Surplus Sale

WE DO NOT HAVE A SURPLUS SALE very often, but when we do, it is worthy of your instant attention. On the following two pages are listed 100 choice items which we are sure you will want to have. If you had not purchased these because you thought the prices were too high, here is your chance to obtain them for much less outlay, and at the same time help us make room for newer plant materials which will, in time, be available to you.

We are not trying to sell out of these plants, but simply to reduce our stock. They will be listed in our next catalog, and the prices will not be any lower. In fact, higher prices are more likely. The prices quoted here are from our 1962 catalog. We mailed you a copy last fall, but if you have mislaid it we will send you another copy for 25 cents, which may be deducted from your order.

HERE IS THE DEAL:

Look over the next two pages and select what plants you want. Add up the prices and then — **DEDUCT** — 25% from the total. That is your purchase price. **BUT THAT IS NOT ALL.** We will mail the order postage **PREPAID**, which will amount to an additional 12% or more. How can you lose on a deal like that? Please suggest a few alternates in case of shortage, or permit us to make suitable substitutions. Enclose payment with the order. No charge or COD orders will be accepted and no further trade discounts will be allowed. California customers must include 4% sales tax.

THERE IS ONLY ONE CATCH:

We must limit your order to a minimum of \$10.00, otherwise we would actually lose money. You would not want that to happen, because we want to stay in business in order to serve you for many more years. Also, this **SALE POSITIVELY ENDS JUNE 30, 1962.** As you see, you do not have much time; so sit right down and make out your order. Plants will be mailed during July and August. If you expect to be away from home at any time, let us know in your order or drop us a postcard later. You may tell us when you want the order delivered and we will do our best to please you.

In order to make it easier on yourself, you may **ORDER BY NUMBER.**

AREN'T YOU EXCITED? - YOU SHOULD BE!

If you wish to order other plants from our catalog, make out a separate order for them.
